Robertswood School

Weekly Newsletter

Monday 12th October – Friday 16th October

At the beginning of the week, we held a fire drill to ensure that everyone knows how to respond safely in the event of an emergency. I am delighted to say that the children followed instructions calmly and sensibly, allowing us to evacuate the building safely in under three minutes. A fantastic effort from everyone – well done, Robertswood!

Looking ahead to next week, we have individual and sibling photographs taking place, as well as the first of our parent consultation evenings. These meetings provide a valuable opportunity for parents and carers to meet with their child's teacher, celebrate their achievements and discuss the progress they have made so far this academic year. We look forward to welcoming you into school.

I hope you all have a lovely weekend.

Mrs Davison

Late Items Brought Into School

Please can we remind all parents and carers that children must arrive at school with everything they need for the school day, including lunch boxes, water bottles, PE kits, Forest School clothing, swimming kits and star time toys.

Unfortunately, the number of items being dropped off after the start of the school day has increased significantly, to the point where this is becoming a regular occurrence rather than an exception. This is placing considerable additional pressure on our school office staff, who are already managing a busy workload.

If you do need to bring an item into school after the start of the day, please ensure it is clearly labelled with your child's name and class and placed in the designated late items box outside the main entrance.

Please be aware that we cannot guarantee that items dropped off during the school day will be delivered to your child. If you have left an item in the late items box and it has not reached your child, please ensure you collect it from the box at the end of the school day.

We ask all parents and carers to take responsibility for ensuring their child has everything they need before leaving home each morning. Thank you for your understanding and cooperation in helping our school day run smoothly.

Drop off and Collection Arrangements

Tuesday 13th October – Friday 16th october

The long-awaited replacement of the Reception canopy will take place next week. During this time, all children should enter through the side gate at the start of the day as normal, with Reception children using the side door alongside the rest of the school. Staff will be on hand to guide everyone. Please avoid waiting at the side door to help keep drop-off running smoothly.

All children will be collected from the playground via West Hyde Lane. Please park considerately, avoid parking on West Hyde Lane where possible, and ensure gates and pavements remain clear for the safety of families.
Thank you for your patience and cooperation!

Forest School

Reception – Monday afternoon
Year 5 – Tuesday afternoon
Year 6 – Wednesday afternoon
Year 4 – Thursday afternoon

We advise that children wear as much of their school uniform (school cardigans/jumpers trousers) as possible to maximise their Forest School time. If girls need to cover their legs, they can put their leggings/jogging bottoms under their skirt/dress. If it is wet, we will provide waterproofs for the children. Please make sure that they have footwear appropriate for the current weather conditions.
