

Dear Parents and Carers,

Every half term, we will be sharing the titles of the books that we are focusing on in Nursery. These are books that are linked to our topic and will help to support the children with their Literacy and Maths learning. We are sharing these in advance in case you would like to have a copy at home to help reinforce what the children have been learning at school. In addition to these books, we will be reading a wide range of fiction and non-fiction books to the children to continue developing their love of reading.

Autumn 1

Our topic this half term is All about me (My family and I).
